

Georgia Department of Public Health — response to open records request ORR 2026-786

Released to Georgia Prisoners' Speak on 10 September 2026. Reproduced as produced by the agency.

Good afternoon,

After further review of your request, we have determined that the records you are seeking constitute “information requested or collected as part of an outbreak or cluster investigation.” Ga. Rules and Reg. 511-2-1.03. Accordingly, under this regulation, these records are deemed confidential. However, we can release the interim report in one investigation and the final report in another investigation, as one investigation is ongoing and one has been finalized. Your open records request will now be closed. Thank you.

Obtained by Georgia Prisoners' Speak under the Georgia Open Records Act, request reference ORR 2026-786. The two outbreak report summary sheets released with this letter are published alongside it.
